CURRICULUM (BOOK) FEE:

Option 1: Choose to pay for your child's books over a 10 month period (August-May). Students receive all new books and give up the option to purchase used books. Every grade will have a different book fee.

Option 2: Pay for your books in full at the booksale/registration day. This option allows families to purchase used books from other sources; but they **must verify** that the books are the exact same editions and have no answers written in them. Test/Quiz booklets cannot be purchased from any other source; doing so will be considered a form of cheating. Every grade will have a different book fee.

Tuition:

Yearly tuition is divided into either a 10 or 11 month payment plan (parent's choice) from July to May. The first payment is due on July 1 (11-month plan) or August 1 (10 month plan). Payment for tuition and all accrued charges (field trips, sportsfees, etc.) is then due by the 1st of each month. **Please keep in mind that July and August payments are NON-REFUNDABLE.** For any invoice that is not paid in full by the 5th of the month, a late fee of \$20 will be assessed to the family's account. Please consult the 2023-2024 Financial Policy for more details about accounts, fees, and financial responsibilities.

Comprehensive Fee:

A one-time comprehensive fee will be charged for each student according to grade level. This is applied to achievement testing, end of the year awards, student accident insurance, elective/activity fees, cafeteria fees, *Headmaster Online*, and state/federal representation.

Foreign Language Fee (Rosetta Stone)

Students have two options: lease or purchase.

The lease option gives the student access on one device for one year.

The purchase option give the student lifetime online access on any device for any language that he chooses.

Math Supply Fee

This fee covers the student's use of an in-house set of math equipment. This fee cover the lease of this equipment. These supplies are kept at the school and will not be taken home at any time.

Extended Care

Morning and afternoon extended care is available from 6:30-7:30 a.m. and 3:15-5:30 p.m. There is no charge for students arriving after 7:30 a.m. for morning care.

Important information:

A \$10 late fee will be charged per student for every 5 minutes a child is left after 5:30 p.m.

Sports Fee

Intramural basketball takes place **after** our regular basketball season. This allows our younger students the opportunity to begin to learn and practice basic skills. There is a separate fee for playing Intramural sports and this fee will be determined during the school year.

NSF Checks and Credit/Debit Cards

A \$45 fee is charged for all NSF checks received by LBA. Failure to pay this in a timely manner can jeopardize your child being allowed to remain in school or extended care. A 2.75% processing fee will be invoiced to accounts that use credit/debit cards to make payments. No additional fees are associated with cash, check, or direct withdrawal payments. Direct withdrawal payments may be made online through *Headmaster*.
